Internationally Educated Health Professionals in Canada (IEHPs-CAN)

Practice Ready Assessment (PRA) Pathways for Internationally Trained Physicians

Thursday, October 22, 2026
10:00 AM – 12:00 PM EDT

ONLINE WEBINAR

PRESENTERS

Megan Marshall
Senior Manager, Practice Ready Ontario

Dr. Manal Badi
MBBCh, CCFP, DipDerm
Practicing Family Physician, Ontario

What will you learn?

- Understand PRA and PRO pathways, eligibility criteria and how PRA differs from residency training.
- Identify key differences across provinces and prepare more effectively for PRA/PRO programs.
- Navigate provincial and specialist pathways, including where to begin, whom to contact, and considerations following Royal College eligibility.
- Plan strategically for practice in Canada, including recency of practice, Return of Service requirements, certification examinations, and progression toward independent practice.
